Helping Fosse Park Staff
Commute Sustainably

What is Getting To Work?

Getting To Work is a unique initiative for Fosse Park staff to help support sustainable commuting by bus, walking or cycling. It offers a variety of fantastic incentives to reduce the pressure on the car parks.

Access a range of free transport discounts with the likes of Arriva, Centrebus, Rutland Cycling, Railcards and more. Register via the Getting To Work section on the Savills Insights app and see how much you could save!

Staff can receive a free 4-week bus pass within their first 6 months at Fosse Park or if they have worked there longer but currently use a car to get to work. You can choose either an Arriva East Midlands Zone or a Leicester Flexi ticket. Register for a SmartGO account to apply.

All staff can take advantage of a 50% subsidy on Hurricane ebike subscriptions. For just £25/month you get an ebike with a free lock, lifetime warranty, theft cover and maintenance included! There's no upfront fee and the minimum term is just 3 months. Register for a SmartGO account to apply.

Transport Information

Cycling and Walking

Looking to cycle or walk to Fosse Park? Check out our Active Travel Hub in the service yard behind Primark! This free facility provides showers, lockers and changing rooms exclusively for staff.

Register in the Getting To Work section of the Savills Insights app to receive your unique access code.

Need somewhere to store your bike?

Fosse Park has three cycle cages for staff in the main service yard. The lock code changes frequently so apply for Active Travel Hub membership and choose the bike cage option to make sure you're kept up to date.
